

Iron Edison Battery Company

Lithium Iron Phosphate Battery

UNITED STATES LIMITED WARRANTY

Iron Edison Battery Company warrants only to the original purchaser that any battery product which becomes unserviceable (not merely discharged) due to defect in material and/or workmanship within the free replacement period stated below will be replaced without charge. Any battery product which becomes unserviceable (not merely discharged) due to defect in material and/or workmanship within the pro-rated period stated below will receive a credit or refund as stated below. This warranty starts from the date delivered, applies to the original purchaser of the battery and is non-transferable. This warranty does not cover installations outside the continental United States, Alaska & Hawaii. Purchaser is responsible for all shipping and testing costs for returned batteries, including any additional duties & taxes. If the battery is deemed to be defective under the terms stated below, the replacement cells shall be shipped free of charge and testing costs shall be refunded. Iron Edison shall make all reasonable efforts to accomplish testing in a timely and efficient manner.

Lithium Iron Phosphate Batteries cannot be discharged more than 80% of nominal capacity, or below 3.15 volts per cell. Battery shall not be charged or discharged at a rate greater than C/2 (50% of the battery's amperage rating). Charge controllers, inverters & generators must be configured using Iron Edison provided settings to be compliant with these requirements. This warranty does not include use in electric vehicle drive train, or other motive applications.

The battery owner will read warning labels on the battery and exercise due care in working on or around it. The battery is intended to be used by persons with training or experience with batteries. This warranty replaces all previous warranties, and may be updated in the future.

WARRANTY EXCLUSIONS

Iron Edison's exclusive liability for breach of any warranty on the battery shall be to repair or replace the battery or repay the pro-rated portion of the actual purchase price paid for the defective product within the warranty period in accordance with the terms of this limited warranty. In no event shall Iron Edison Battery Company or any of its affiliates be liable in contract, tort or otherwise for any loss, claim or damages of any other kind, whether direct, incidental, consequential, exemplary, special, punitive, remote or otherwise, including any lost profits, lost revenue or incentives, loss of equipment, cost of purchased power, cost of substitute product, facilities or services, claims of customers of owner, or removal, shipping, transportation or installation expenses.

The battery must be used in the application for which it was designed, and placed into service within 180 days of delivery. Warranty does not cover abuse or neglect, corroded hardware, improper maintenance, improper installation, breakage, freezing, fire, explosion, wreckage, exposure to excessive heat (above 45C), exposure to extreme cold temperatures (below -20C), charging at low temperatures (below 0C), the addition of any chemical or solution, batteries damaged from other electrical equipment or if the manufacturing codes have been destroyed or tampered with. Any changes made to the battery's hardware or software without prior approval shall immediately void this warranty. This warranty excludes any changes in appearance of the product that do not impact its performance, replacement of fuses, and replacement or resetting of circuit breakers.

In a daily discharge application (≤ 1 discharge per 24 hours), the Lithium Iron Phosphate Battery shall not be discharged below 40% state of charge. In a battery backup application (≤ 1 discharge per week), the Lithium Iron Phosphate Battery shall not be discharged below 20% state of charge. Exceeding these values will void this warranty. Discharge history will be reviewed by Iron Edison using the battery's system logs.

WARRANTY PERIOD:

Battery Type	Free Replacement (months)	Pro-rated (months)
Lithium Iron Phosphate	1-24	25-84

HOW TO RECEIVE WARRANTY SERVICE:

To resolve problems covered by this warranty for renewable energy applications, contact Iron Edison Battery Company to confirm the defect. You will need to provide proof of purchase along with the serial number for the battery. Iron Edison Customer Service will diagnose the issue with the customer, including the completion of a specific reconditioning procedure to determine if parts, service or replacement is needed. If deemed necessary by Iron Edison Battery Company, customer must ship the defective product in approved shipping box / container to Iron Edison Battery Company for testing before a warranty replacement / refund will be offered. Customer is responsible for all shipping and testing costs for returned batteries. Replacement materials or product will only be shipped following a complete examination of returned equipment.

At the sole discretion of Iron Edison, if a single cell or a group of cells within the battery qualifies for warranty replacement, only these cells shall be replaced, if possible, and that all serviceable parts and functioning cells will be incorporated in a returned battery.

During the free replacement period, the battery will be repaired or replaced with a similar battery or one of equal value.

During the pro-ration period, the Performance Replacement Refund will be calculated using the formula below:

Performance Replacement Refund:

Current Discounted Retail Price X % Warranty Remaining X [1- (70% of new Ah rating ÷ Tested battery Ah capacity)]

The Performance Replacement Refund may be in form of a cash payment, or a credit toward repair / replacement of the battery. If a cash payment is made for the warranty claim, the customer may retain ownership of the defective battery with no further warranty coverage. Customer will be responsible for any return shipment costs. If repairs are made to the battery, the original warranty will continue from the initial purchase date.

In no event will Iron Edison Battery Company's total liability exceed the sum paid by the owner for the product giving rise to the claim hereunder. Iron Edison Battery Company reserves the right to add or delete batteries from those listed above as they become available or are obsolete.

LIMITATION ON IMPLIED WARRANTIES:

Iron Edison Battery Company makes no express warranties with respect to its batteries other than the limited warranties stated above.

APPLICATION OF STATE LAW:

This Limited Warranty shall be governed by the laws of the State of Colorado without giving effect to any conflict of laws principles that may provide the application of the law of another jurisdiction. Any claim or dispute in connection with this Limited Warranty shall be resolved between both parties in writing if a mutual agreement is made. If the mutual agreement is not made, any legal action would be filed and governed by jurisdiction of the state courts located within Jefferson County, Colorado and the federal courts in Colorado for the purpose of litigating all such claims or disputes, which courts shall have exclusive jurisdiction of such claims or disputes.
